

To our members,

During the past year, our organization has been participating in IGA's **HVC** Charitable Rebate Program. By registering your **HVC** card to our organization and shopping at IGA, our organization receives a share of more than **\$50,000** that IGA is offering in cash donations.

The time has come to re-enroll your **HVC** card number to our organization number. All current enrollments are due to expire on July 1, 2007. In order to keep you enrollment continuous, please reenroll between April 1, 2007 and June 30, 2007. This re-enrollment is for the program year of July 1, 2007 thru June 30, 2008.

If you are a new enrollee, you may enroll at any time during the program year. New enrollments received during the reenrollment period will count towards this year's program as well as the new program year. Each household can register to only one organization.

Please complete the form below and drop it off at the service desk in any of the participating IGA stores listed below. You will continue to receive all of the "extra" mailings and awards that come from using your **HVC** card, and help our organization as well.
